

2022 New Year Message

By Dr Jonathan David (Prophecy given on Tue 28 Dec 2021)

2020 to 2040 are the double decades of the open heaven given to the church especially to ISAAC churches. 2021 is the beginning of the fiercest battles. 2022 the world will change in a single battle on health, finance, family, and politics. We must guard everything God has given to us. It will change the landscape.

But in 2022, new things will happen. The righteous will rise, the wicked will fall. The righteous and the wicked will not labour together. The work of the enemy will come crashing down. The righteous will be bold as a lion. The lion is bold, who can but fear. The wicked will flee when no one pursues them. But the roar of the lion will be heard. "I will once again pour out My Spirit on My sons and daughters and they will prophesy and recreate a new earth on this earth."

A new company of people will rise. They are fearless. They will march on the mountains, walk through the valley of the shadow of death. Nothing will harm them, thus says the Lord.

The new day is coming for ISAAC and it is beginning this week. And the fear of the Lord will be upon God's people. Many will mature, from a lamb to a lion. And their royal anointing will be seen. You have completed the sacrifice of the lamb, now take your place as the lion of the sons of Judah, your voice will be heard. You will snatch many out of hell, and we must not see the size of the enemy, but we must hear the voice of God and live.

2022 is the year to know your territory and you will fear nothing. A new territory has been drawn; all fences are down. As far as you can see, I will give it to you. North, South, East, West will be your portion. God has marked out your territory. ISAAC will take on the challenge of reaching the nations, especially Islamic nations. There are many who will take new ground and wealth will follow like a mighty river. Isaiah 60 will become our template of wealth transfer. And people will come from the Islamic world and thousands of them who will already be saved. Arise Shine, your light has come. The covenant of the Spirit and the Word will be your light. Arise

Shine, your light has come. Nations will tend to you. Nations does not mean people groups, it means God's people.

The strength of God's light will draw people out of darkness. It is the light that draws them out and God's people will have no lack of territory to control because the Lord Himself will be the territory. Sin will be broken, sickness will be conquered, satan will be bound from 2020 to 2040.

A new beginning for the church and she will wait for the second coming of the Lord. It is in this hour you will look up and see the coming of the Lord. Many churches and individuals will be taken up with a new glory of My body and they will all come as one company. The saints will come with Jesus, the saints will come manifesting Jesus, the saint will manifest as saints like Enoch, the translated saint, Noah the transformed saint. Elisha's legacy will be transferred to that generation, even though they are young they will do greater works than this, Thus says the Lord.

The lightning will shine from the East to the West. From the rising of the sun to the going down of the same. The generation of the 27 years old to 50 years old will be key instruments. The 27 to 35 years old will carry the technology. From the 37 years old will carry the spiritual technology. First in the natural, then the spiritual. Wait for my message. A new Body I will raise, healing in the body, joy in the soul, strength in the spirit. A new Body I will give to you. "Lo, I have come to do your will, a body I have made for you." This is the final message. Christ in you the hope of glory. Christ in you the reality of glory. The manifestation will go out from Zion. He will roar from Zion. The sceptre shall move from Zion. The heavenly Jerusalem will bring forth the Old Testament saints and reveal them to the saints. The Old Testament saints will emerge collectively. And this will cause the church and Zion to become one. All things will be consummated in Christ, thus says the Lord. The end is near, He is near. Zion and the church will emerge in a special way. Hell will be shut down, Heaven will prevail. All that we heard will come to past in these twenty years because a new season has begun.

Many goat nations will become sheep nations. Two things will be needed. Sheep nations will acknowledge Zion. And Israel will acknowledge that Jesus is coming in the flesh. The same Jesus that rise before your eyes, working in you, is always been with you, and He is seen in you and will come forth in you. This is the true saints.

Jesus is coming again and His kingdom will rule for another thousand years. This is the panoramic view of the last days, get ready. This is your time. The best time. The time to finish the assignment and prepare the way of the Lord to finish His work. This is God's final plan to send Jesus. This is the prayer I pray, after the Order of Melchizedek. This will be our time, be ready to rise. You will defeat death, under the Order of Melchizedek. And you will be after the Order of Melchizedek. Six thousand years have passed, the seventh year has just begun. The one thousandth year is beginning to take shape and you will see Jesus return in these decade.

Share this tape, the voice of God in the earth. You will hear His voice and come alive. This is the fiercest battle, the spirit of error against the spirit of truth. But light will prevail. Truth will prevail. Jesus has already won the victor's crown. Receive this, as the tape goes around. The earth will have awoken, the saints will rise. This is God's promise for those who believe.

ISAAC churches and ANS must take the message to the world. This is God's mandate to execute the Kingdom Order. Let thy Kingdom come, thy will be done, on earth as it is in heaven, so it shall be on earth. Receive the greatest gift of life and discerning of spirits. In Jesus name, I release all that God has given to me to as many who will receive in faith. You will not live under the activity of satanic powers but in the life of Christ. Receive my new year message in Jesus Name, Amen.

As far as you can see, as bold as you can run, as fierce as you can fight. Take the bow and arrow and take the four arrows, strike the ground, until your strength of the flesh has ended and you are hitting the enemy by the Spirit and not by your might. Your mind will be taken over by the spirit.

In Jesus Name, Amen, Amen, Amen.

Every Amen for the Father, the Son and the Spirit, Amen, Amen, Amen.
